

1 Full-Time Position Available in Rio Grande City, Texas

Prevention Specialist for the agency's YPI Prevention Program. The YPI Prevention Program provides drug prevention services to youth attending school between the ages of 11-17.

Primary responsibilities include:

1. Recruit, screen, assess, develop service plans, pre-test, and post-test all participants.
2. Provide evidence-based drug prevention sessions to participants.
3. Provide a variety of other prevention services including prevention counseling, referrals to support services, information dissemination, and AOD and tobacco alternative activities and community presentations to youth and adults.

Minimum Qualifications:

- Associate's Degree in the Behavioral Sciences required. A Bachelor's Degree is preferred.
- Prior drug prevention experience with youth is preferred.
- Must be bilingual (English/Spanish).
- Must have reliable transportation, proof of insurance, and a valid driver's license.

Salary of \$12.50 to \$13.46 per hour depending on qualifications and experience.

Applications can be obtained on-line at www.scan-inc.org.
Submit applications by e-mail to applications@scan-inc.org or by fax at (956) 725-8367

Application Deadline: Open until position is filled.
